Open Forum

1. Mrs. Asha Korana asked , What measures the school has taken to recover fees from the parents who did not pay the fees yet?

The Principal answered saying that the school is sending regular reminders to the parents through mail, Whatsapp and Telephonic call. Also, the management fixed a meeting with the parents on weekends to understand their problem and to try and give a suitable solution. Unfortunately, a very few parents turned up for the meeting.

The Management Representative, Mr.Vikram Deshmukh said that the school does not want to take any coercive action against any student instead, wants to give time to the parents to pay the fees till this academic year gets over. At the end of the year the school will decide what action to be taken against the parents who failed to pay the fees for more than one academic year.

2. Mr.Rakesh Kadam welcomed the school's decision of standardization and said that this will rule out the confusion among the parents. All the parents will be charged the same fee irrespective of year of admission.
3. Mr.Sagar Fallie requested the management to explain the method of calculation done for standardization.

Mr.Vikram Deshmukh explained saying that the fee revision of 15% increase is calculated based on the lowest fee structure of that class, accordingly the other fees are calculated so that all come under same fee structure.

4. Mrs.Asha Korana said that some of the parents may oppose for the 15% fee revision. What should be the role of the Executive Committee members in this fee proposal?

Mr.Vikram Deshmukh said that as per the Fee regulation act section 6 point 1B, the school can propose fee with revision up to 15%. Also, the school did not revise the fees since 2016. The school needs to revise and implement the fee revision to sustain and to run smoothly. He also stated that the new amended fee regulation act says that the Executive Committee members be informed of the fee revision before announcing the same to the rest of the parents. If the fee revision is 15% then it does not require EPTA approval. Also, the EPTA members will be in a better position

to explain the other parents if they are briefed by the school about the fee revision well in advance. If the parents need more clarification can visit the school and meet the Principal.
